

CRCS 2026/27 BOOKLIST FOR L7

Below is a list of the materials required for each level. We have included the ISBN number (the thirteen-digit number beginning with 978) when possible. If you choose to purchase your materials from another source, please make sure that you are ordering the same item we are requiring. It is essential that all students have the same versions of the materials listed. Additionally, if you are purchasing for multiple students, many materials are the same across grade level. In that case, you will only need to purchase one copy unless it is a consumable workbook.
